## AREA MEETINGS

**KENTUCKY: Louisville ▲ Lexington**

**INDIANA: Fort Wayne ▲ Lafayette ▲ Indianapolis ▲ Jasper**

We have scheduled area meetings for Kentucky and Indiana members in August this year

We will update you on the Red Flag Rules implementation and enforcement status as well as the newly-enacted Federal health care reform and what you need to be aware of at this point. You'll also have an opportunity to hear about the Association's credit card program with EMS and bankcard PCI compliance mandates.

Other topics will include: drug screening, OSHA and safety, trucking regulations, sales tax exemptions, streamline sales tax, Indiana's new gun law, manufacturer agreements, internet policies, Right to Repair update, flat rate guides, Fastfacts database, card check status, and more....

These meetings are for you. If you have an agenda item you would like covered please call the Association office toll free 800.606.6332. Topics should and will be those that are not unique to any particular manufacturer but apply across the industry.

Meetings will begin at 9:30am and finish at Noon. We will provide lunch following the meeting. To cover the room rental and lunch costs, registration fee is \$45 for the first person from your company and \$20 for each additional person.

*Do you know someone who should be a member? If you register and bring a non-member to the Area Meeting with you, you will receive a \$45 credit with the Association for future services or supplies with your paid registration fees. That's like getting your registration and lunch for free! No charge for the non-member you register and bring.*

### **Dates and locations are:**
